

TRIBUNAL CLAIMS

CONTINUE TO ROCKET

The latest Employment Tribunal statistics have just been released. Here are the headline figures:

April to June 2020

Total claims made to the ET in April 2019 – March 2020 is **103,973**

103,973

The number of ET claims made by individuals in April-June 2020 has **increased by 18% since last year**

↑ 18%

This is the **highest level of individual claims since 2012/13**

2012/13

The **highest sum awarded** in an ET claim was **£266,000**

£266,000

The type of claim that has increased the most from the previous year are **age & race discrimination** and **failure to provide national minimum wage**

With no fees to pay, there's nothing to stop employees making a claim. Our expert support can help protect you from paying £5,000 in solicitor's fees, which is the average cost per claim.
